

A minimalist bedroom interior featuring a bed with white linens on the left, a large black-framed mirror in the center, and a window with light-colored curtains on the right. Sunlight filters through the window, casting shadows on the wall. A vase with dried flowers sits on a small table near the window.

# FROM *Above*

This extraordinary collection bridges two worlds: realistic landscapes and abstract forms, captured from an aerial perspective. Views of Earth, water, and rock formations transform into painterly compositions, balancing between art and reality. The glass finish enhances the depth and intensity of colors, creating modern and mesmerizing artworks.

Canvas • 60x80  
**ST844 Clean Coast**

Canvas • 60x80  
**ST845 Hot Spring**
